

St. Giles' School Outcomes for 2024 to 2025

	Safeguarding	Financial sustainability	Premises and estates	Quality of education	Leadership & Management	Inclusion	Well-being
Outcomes							
Outcomes for Pupils	Be the voice of our students - to keep them safe.	Ensure that all our students have the right resources to help them enjoy school and progress.	Ensure that the school site meets the needs of our students.	Reading/phonics programme is embedded for all our students.	Embed our Student council/SEND superstars programme to give our students a bigger voice.	We will help all our students to communicate so that we understand them better.	We will listen to our students!
Outcomes for Parents/ Carers	Bespoke training for parents/carers on Safeguarding matters.	Ensure that your children have the right resources to help them succeed.	Ensure site is safe and meets the needs of your children.	The curriculum meets the needs of all learners e.g., decolonizing the curriculum.	Friends of SGS re-launch for parents/staff to celebrate 100 years of St. Giles' School.	We will improve our communication passports for your children to understand them better.	More WOW events for parents/carers.
Outcomes for Staff/ governors	Create a culture among all staff/governors that 'It could happen here...'	Appointment of staff and governors with expertise on finance management/ fundraising skills.	Health and safety checklists in all classrooms and community rooms.	Effective monitoring of the curriculum takes place—e.g., Learning walks.	Key staff roles and responsibilities made clear.	Communication focus for staff monitoring and training.	Review of staff well-being policy.
